

CV – Steen Krontoft

Name: Steen Krontoft
 Born: 2. October 1963
 Address: Enevej 6, 4600 Køge
 Telephone: 6177 7600
 Email: steen@krontoft.dk or steen@krontoft.com
 Family: Married, has two boys and three bonus daughters, no one lives at home.

Profile/presentation

Experienced and passionate IT Manager/Architect/Project Manager with many years of experience in leading complex technology projects and optimizing IT infrastructure as well as a strong background in developing and implementing IT strategies that support the company's business goals.

Privately, I spend my time with my family, my wife, friends, traveling and enjoying nature through my many bike rides in the woods and on the road in Denmark and abroad – often together with my cycling club.

Experience

- Outreach sales work at new ones and ensure customer satisfaction at existing ones.

Results

- A well-functioning small company in promising growth with a large customer (Monsalto) and several smaller companies covering design studios, architects and consulting engineers.
- Operation and maintenance of servers, applications and clients.
- ServiceDesk functions for smaller customers and partly also for larger customers.
- Advice to customers.

IT skills

Through the many roles and years in IT, I have built up a large and deep knowledge of many technologies, platforms, systems and tools, such as:

- Infrastructure (servers, clients, networks, WAN, OS, applications, etc.).
- Microsoft Azure solutions
- AI (ChatGBT) Solutions
- Microsoft Office 365
- Several GMP systems and machines for use in both development and production in the Pharma world
- Hybrid solutions (On Premise and Azure)
- Network (software and hardware).
- z/OS, Windows (servers, clients), AIX, Linux, and OS/2.
- Management solutions (Infrastructure).
- Storage- and database systems.
- Windows, MacOS, Mainframe and Linux systems.
- Cloud solutions (O365, Azure, Amazon, Meraki)
- MDM-solutions (Endpoint).
- Development, programming, scripting (PL1, VBScript, REXX, PowerShell, C++, Visual Basic, C#, and many more).
- And much more....

Roles outside IT

In addition to my IT career, I have also worked as:

- Floor sander for a small floor sanding company (2 years).
- Group starter and contact person for parents in crisis at the association of for support in infant death (10 years).
